

## Click 'n' Pick your new roof colour

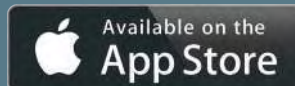

With these simple steps, our new 'Roof Viewer' app will help you choose the right colour for your roof.

- 1 Download our Roof Viewer app.
- 2 Take a photo of your house exterior.
- 3 Tap 4 corners to indicate the roof 'section'.
- 4 Use slider to indicate roof profile.
- 5 Enjoy exploring our ColorCote® palette.
- 6 Email your fave roof colours to yourself or others.

Download our app.

The Roof Viewer app is available on both the App Store and Google Play.

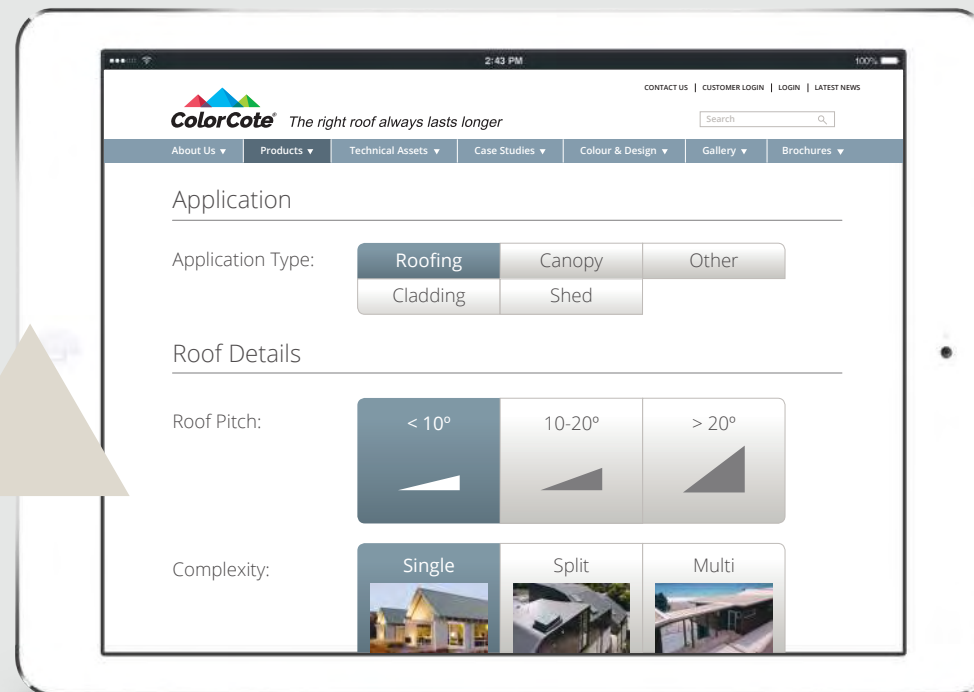

## Am I covered?

It's easy to check before you buy

Simply go to [www.colorcote.co.nz/warranty](http://www.colorcote.co.nz/warranty) or get the app, available on both the App Store and Google Play.

- 1 Open the enquiry form.
- 2 Enter the location of your home.
- 3 Enter the application type and roof details.
- 4 Click submit.
- 5 We'll let you know the right substrate, so you know you're covered.

DISCLAIMER. The colours reproduced in this brochure are as close as standard printing processes allow and should be viewed outside in daylight. To see exact ColorCote® pre-painted metal products please contact your nearest ColorCote® supplier. The colours published in this colour chart are ColorCote®'s standard range; custom colours are available on request, special rates, lead times and minimum order quantities apply.

# Choose the right colour for your roof

Your ColorCote®  
colour guide

[colorcote.co.nz](http://colorcote.co.nz)

# Over 40 colours to choose from

Whatever style your home is, ColorCote® has colours to suit, from heritage to the latest trends – go wild, mild, bright, bold, earthy, metallic or even black and white.

## Our 'Top 5 colours' by popular demand

Pair one of our most popular roof colours with a suggested Resene colour for a perfectly coordinated exterior.

OUR COLOUR CONTRASTING PICKS

1 Ironsand		Resene Cougar	Resene Quarter Bianca	Resene Thunderbird
2 Grey Friars		Resene Delta	Resene Hint Of Grey	Resene Blue Bayoux
3 Titania		Resene Triple Ash	Resene Half Cararra	Resene Double Mondo
4 Sandstone Grey		Resene Baltic Sea	Resene Sea Fog	Resene Clockwork Orange
5 Black		Resene Mountain Mist	Resene Quarter Merino	Resene Citron

Any colour. Any substrate.

Whether you choose ZinaCore™, MagnaFlow™ or AlumiGard™, all our colours are available, with a number also available in Low Gloss. For more extreme conditions, ask about our 'X' range with PVDF top coat for use in chemical or industrial environments.

NOTE: All colours shown are reproduced within the practical limitations of the process used. Slight variation may occur from the ColorCote® pre-painted metal product.

METALLICS: Colour may vary between production runs, so the entire quantity for each project must be purchased in one order. BRIGHTS: These colours are not available with ceramic pigmentation, and therefore the level of colour retention is not as high as others. There is no colour fade warranty given on these colours.
